

Partner agreement

Yoga and Sport with refugees (YSR) is committed to the highest standards of ethical and professional conduct. Indeed, good intentions are not always enough, and YSR recognizes its responsibility in making sure its mission is delivered ethically and safely.

This document is an addition to the CoC and addresses specific tasks and obligations from a partner, such as someone collaborating with YSR for a specific or ongoing project or activity. It needs to be read, understood, signed and respected by the partner.

- I will follow the code of conduct, and any guidance and instructions from coordinators or directors.
- I will complete an orientation session and compulsory safeguarding training before starting my work, and make sure I understand.
- If I notice a misbehavior, I will contact a coordinator or a director to report the misbehavior.

Partners who do not adhere to the rules and procedures of the organization can be dismissed.

No partner will be dismissed until they have an opportunity to discuss the reasons for possible dismissal with the coordinators and staff.

By signing this document, I declare that I have read and understood the rules for partners and express my willingness to behave accordingly.
